

Hello Year 7,

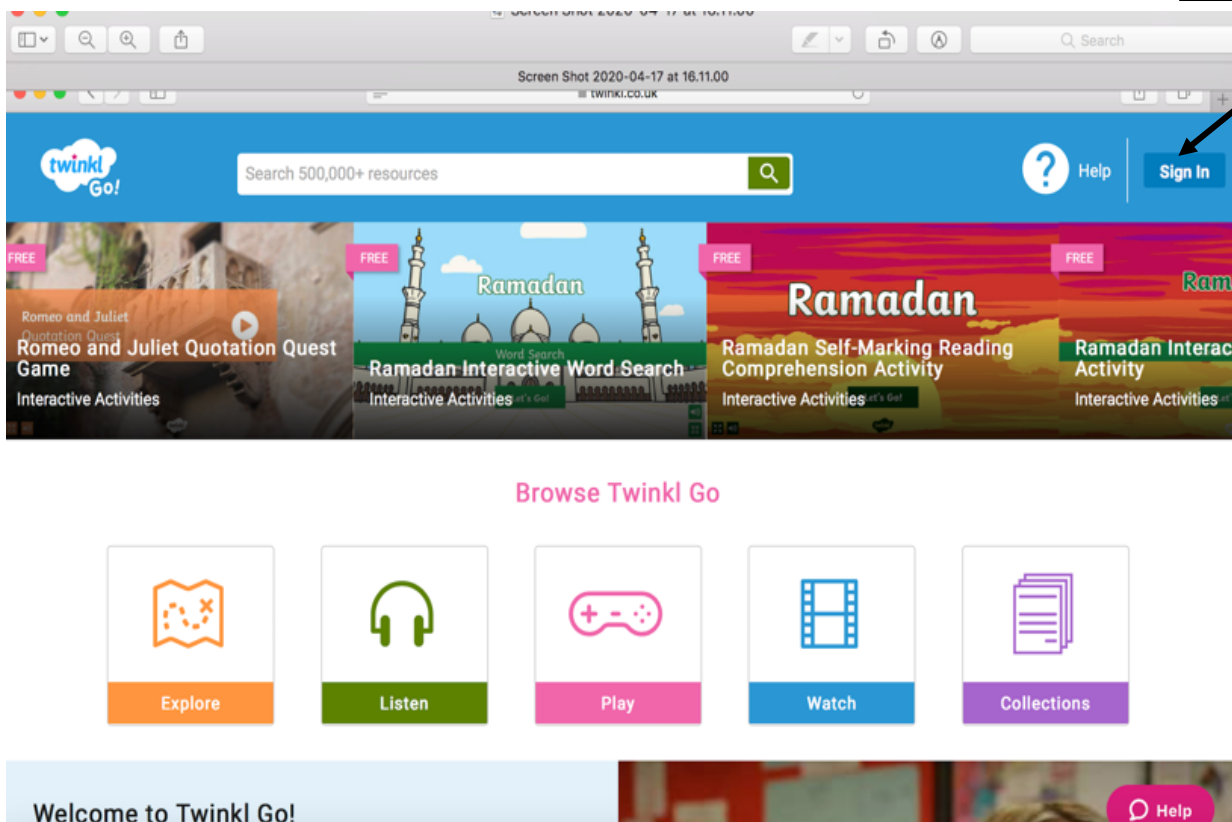

I hope you are all managing to keep yourselves occupied whilst school has been closed. As well as sending geography activities home I have also put together a selection of online activities for you to enjoy. To get into the site, please log in as below:

Go into:

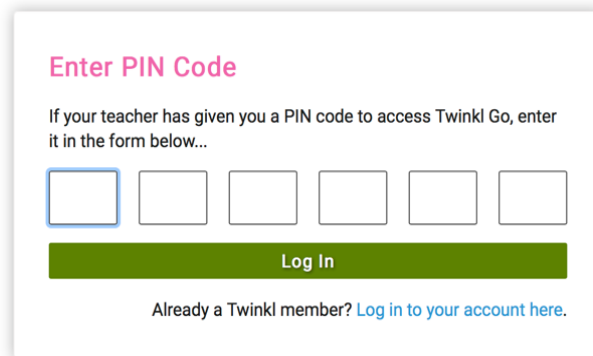

www.twinkl.co.uk/go

Once you have done this, a home screen will come up like this

Click here

Once you have clicked on **sign in**, a box like this will appear -

The screenshot shows a white rectangular box with a pink header "Enter PIN Code". Below the header, it says "If your teacher has given you a PIN code to access Twinkl Go, enter it in the form below...". There are six empty square boxes for entering the PIN code. Below these boxes is a green "Log In" button. At the bottom, it says "Already a Twinkl member? [Log in to your account here.](#)".

Type in your code, which is -

WL8314

You will then be able to access the interactive activities I have set for you. Good luck,

Mrs Webb
