Future Coffee Morning ideas?

Paul Arista

SEN Manager – Post 16

Cheshire West and Chester

The aim of the coffee morning is to provide an overview of transition arrangements when their young person leaves school and support they can access.

School Development Plan

Priorities 2023

Focus Area 1 - The Quality of Education (Intent, Implementation, Impact)

- To ensure that the quality of teaching and learning is outstanding
- To develop extended writing skills in subjects other than English
- To ensure that an outstanding education provision is provided to pupils (based on the latest education inspection framework)
- Subject Leader development Support

Focus Area 2 - Pupils' Personal Development

- To effectively meet the needs of new and future cohorts (i.e. the ever changing face of consultations)

Focus Area 3 - The Effectiveness of Leadership and Management

- Sustainability
 - Effective environmental education embedded within our curriculum
 - Positive and impactful sustainability practice

Oaklands Curriculum

Intent

- To provide an adapted, mainstream secondary curriculum that delivers access to all National Curriculum subjects for all students.
 - The Oaklands' curriculum incorporates bodies of knowledge that have intrinsic value to our students, as well as providing opportunities for their developmental needs, health needs and wellbeing.
- Our curriculum has been designed to ensure that our students are happy today, fulfilled in the future and inspired to make their world a better place.
