Dear Parents/Carers

School Dinner and Uniform price increases from April 2024

I am writing to advise that unfortunately due to price increases for school dinners and school uniform, the school will be increasing the prices of these items from April 2024.

The school meal cost from April 2024 will be £3.07 per day or £15.35 per week - we will continue to use SchoolMoney for parents/carers to pay for school dinners.

Also, the school has held the cost of school uniform prices for parents/carers for many years however, due to the cost of living price increases we have seen over the last 12 months, there will unfortunately be a price increase for the cost of uniform from April 2024, as follows:

School Blazer £29.00
School Tie £5.70

All other uniform can be purchased direct from School Trends as per the link below or by visiting the school website which also has the link available under Parents/Carers – School Uniform.

We would also like to inform you of a slight change to the school uniform. The school has an optional school jumper as part of its school uniform, however we have made the decision to move to black jumper rather than a green jumper. Students will still be able to wear both coloured jumpers but School Trends will be removing the green option from their website for future orders.

Yours sincerely
