

Hello Year 8,

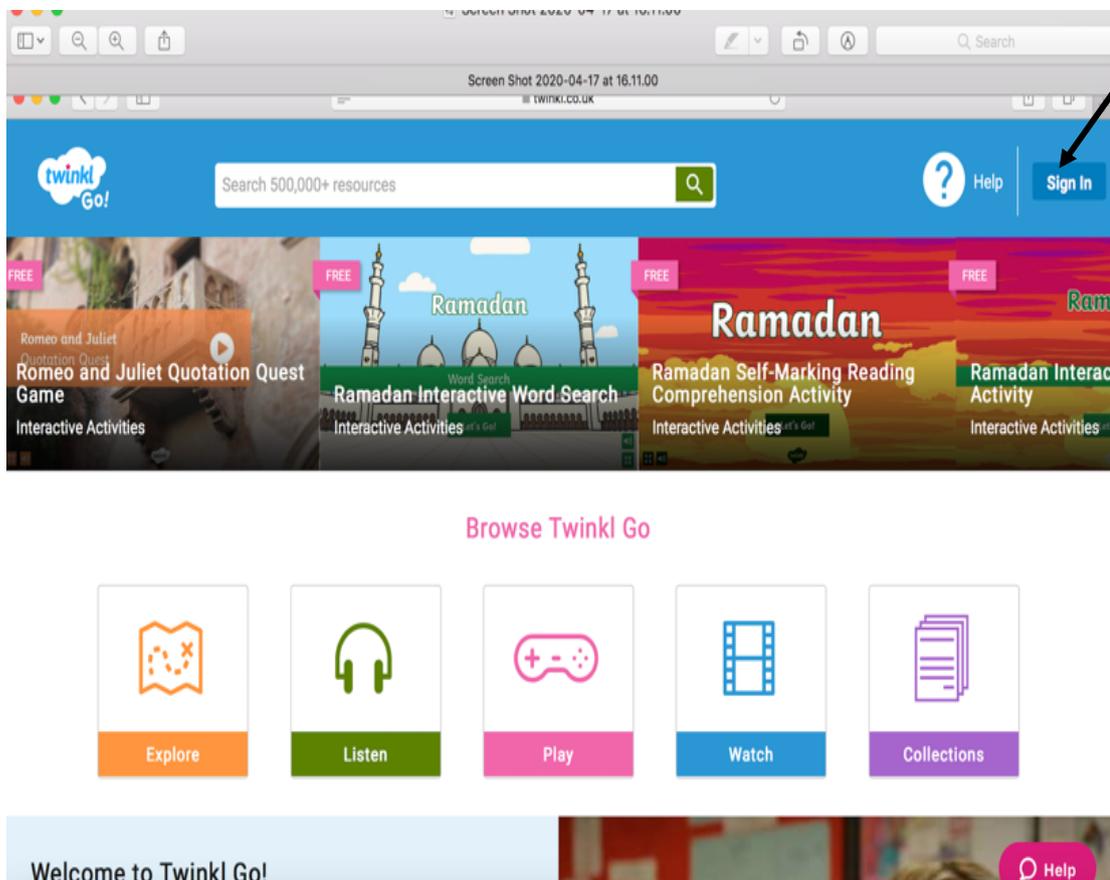

I hope you are all managing to keep yourselves occupied whilst school has been closed. As well as sending geography activities home I have also put together a selection of online activities for you to enjoy. To get into the site, please log in as below:

Go into:

[www.twinkl.co.uk/go](http://www.twinkl.co.uk/go)

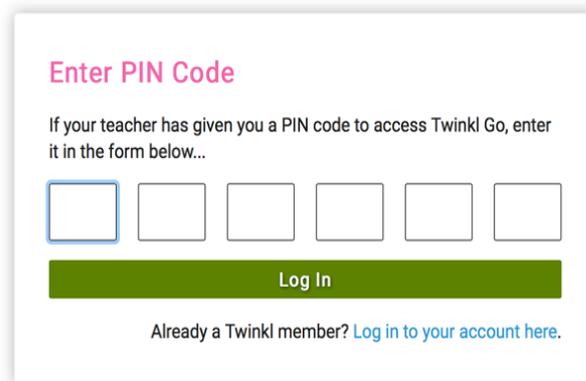

Once you have done this, a home screen will come up like this

Click here

Once you

have clicked on **sign in**, a box like this will appear -

The screenshot shows a white rectangular box with a pink title "Enter PIN Code". Below the title, there is a short instruction: "If your teacher has given you a PIN code to access Twinkl Go, enter it in the form below...". Underneath the instruction are six empty square input boxes for digits. The first box on the left has a blue border. Below the input boxes is a green button with the text "Log In". At the bottom of the box, there is a link: "Already a Twinkl member? [Log in to your account here.](#)"
