

## Y6 Online Safety - Cyberbullying

Tom has a social media profile, and likes to post photographs of his hobbies. Some children at his school have started to comment underneath the photos using rude language and making nasty remarks. Tom's parents don't use social media and don't understand when he tries to explain.

What should Tom do?

## Y6 Online Safety - Cyberbullying

Ellie plays video games at home over the internet, using her games console and a headset. She plays with some of her classmates, but there are other players in the game who use very inappropriate language and make her feel uncomfortable.

What should she do?

## Y6 Online Safety - Cyberbullying

Some boys in another class have been making fun of Jamie: they have teased him at break times but he usually avoids them and stays with his friends. He has discovered that one of the boys has made a fake profile on a social media site, pretending to be Jamie. The profile has lots of pictures of Jamie and fake posts which make it look like Jamie has said horrible things.

What should Jamie do?

## Y6 Online Safety - Cyberbullying

Zara has received a group message which makes fun of her friend. Lots of other people are involved in the group chat and are commenting on the way that her friend looks and dresses. At first, Zara joined in but now the texts are becoming really mean.

What should she do?

Some people at Lizzy's school took a picture of her and posted them online with a nasty caption underneath. She has no idea who took the picture or who posted it first. Lizzy has seen that the picture has been shared by people at another school too.

What should Lizzy do?

Kareem has received texts from a number that he does not know. The texts say that someone knows where he lives and is threatening to hurt him. He has shown his friends and they do not know who the number belongs to, either.

What should she do?
