Fill in the Blanks Search

Create some questions about your chosen topic to search in Google.

Eg. "Where did the Vikings land?"

Change them into statements with a blank.

Eg. "The Vikings landed in *."

Search both and see which gives the better search results.

Think of an interesting way to record and compare the search results.

Eg. Table? Graph? Poster?

Finally, record at least 3 of the interesting facts you have found out!
