

## Classroom objects German!

Hi guys!

I have found a short video for you to watch which relates to classroom objects in German.

<https://www.youtube.com/watch?v=n7rD4MOiiG8>

Here are a few things for you to think about?

1. Are any of the words similar in English and German?

If you can, make a table of vocabulary from the video. I have done the first one for you.

In English...	In German...
der Stuhl	the chair
