

Learning about the instruments of the orchestra

Hello! This half term, you can have a go at learning about all the different instruments of the orchestra!

- Have you heard the word 'orchestra' before?
Where?

I have sourced a video for you to watch and some questions for you to think about:

1. Have a look at video number 1.

Are there any instruments that you have heard of already?

Which is the biggest instrument?

Which is the loudest instrument?

Which is the smallest instrument?

Which is the quietest instrument?
