Video Game Music

Hello! This half term, you can have a go at learning about Music for Video Games.

- Can you think of some existing video game music?
- How does this reflect the characters in the game?
- How does this reflect the adventures and battles of the characters?

I have sourced a video for you to watch and some questions for you to think about:

hhttps://www.bbc.co.uk/bitesize/topics/z3dqhyc/articles/zdvt6v4

What is the advice for people wanting to write video game music?

What are the important things to think about when composing video game music?

Here are a few other websites for you to check out too!

Angry Birds Theme

Final Fantasy Theme

https://www.bbc.co.uk/bitesize/topics/z3dqhyc/articles/zdvt6v4

Tomb Raider Theme

https://www.bbc.co.uk/bitesize/topics/z3dqhyc/articles/zdvt6v4

These are all different sound clips of video game music.

What do you notice about them all?
What are the differences between them all?
