

## China

Hi guys!

We are going to watch some videos relating to China!

<https://www.youtube.com/watch?v=I05xx1cThvU>

Here are a few things for you to think about.

1. Was there any information in the video that you already knew?
2. What did you learn from watching the video?

Make a list of the key facts about China. I have done the first one as an example for you.

China
The capital of China is Beijing.

**Here are some more websites for you to try out!**
