

## Classroom objects and stationary in German!

Hi guys!

I have found some resources to round up our topic about stationary and classroom objects in German.

<https://www.youtube.com/watch?v=v3RBnjJVE6w>

Here are a few things for you to think about?

1. Are there any words that you recognised?
2. Are there any words that are new?

If you can, make a table of vocabulary from the video. I have done the first one for you.

In German	In English
der Computer	the computer
