

Animals in French

Hi guys! We are going to learn vocabulary today relating to French animals!!

<https://www.youtube.com/watch?v=TW-9kzgyzNO>

Here are a few things for you to think about.

1. Were there any words that you recognised?
2. Were there any that were new?

If you can, make a table of the vocabulary from the video. I have completed the first one as an example.
