<https://www.youtube.com/watch?v=NfLaZsePUz4>

Here are a few things for you to think about.

1. Did you recognise any of the vocabulary in the video?
2. Were there any new words that you hadn't hear before?

If you can, make a table of the vocabulary from the video. I have done the first one for you as an example.

In English...	In Spanish...
