

Learning about the instruments of the orchestra... continued!

Hello! We are going to carry on learning about the orchestra.

- Write down three things that you know already about the orchestra.
- Write down one thing that you have learnt this half term (about instruments or the orchestra).

I have sourced a video for you to watch and some questions for you to think about:

1. Have a look at video number 1.

Do you recognise the music? Which film is it from?

What instruments can you recognise that are being played.

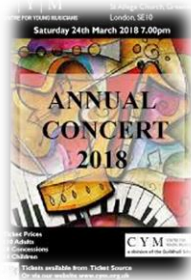

How does this music make you feel?

Make a flyer for a concert where this orchestra will be playing this piece of music.

What information would you need to include?

- Cost
- Time
- The name of the orchestra
- The name of the piece of music
- Why people should come and listen to this orchestra play this piece of music - what is good about it?

Here are some examples of existing flyers:
