# Charity of the Half Term...

## The Royal British Legion

### Who Are We?

The Royal British Legion is at the heart of a national network that supports our Armed Forces community. We're here through thick and thin – ensuring their unique contribution is never forgotten. We've been here since 1921 and we'll be here as long as they need us. We are the country's largest Armed Forces charity, with 180,000 members, 110,000 volunteers and a network of partners and charities; helping us give support wherever and whenever it's needed.

### What Do We Do?

Every year we lead the nation in commemorating and honouring those who have served and sacrificed. We remember those who lost their lives on active service in all conflicts; from the beginning of the First World War right up to the present day, as well as all those who have served and their families. Every year in November, we distribute our paper poppies to raise vital funds to help today's Armed Forces community. And it wouldn't be possible without our incredible supporters. Whether you're a volunteer, member or proud Poppy Appeal collector – or however you choose to support us – we couldn't do it without you.

## Responding To Need

For 100 years the Royal British Legion has been helping serving and ex-serving personnel and their families. From those who served in the First World War to the men and women of our Armed Forces today, we believe no-one should suffer for having served others. As we reflect on our achievements over the last 100 years, we stand ready to support the next generation when they need us.

## Poppy Appeal 2021

Our amazing team of collectors have been at the heart of the Poppy Appeal for 100 years and, as Covid-19 restrictions ease, they are back in local communities across the United Kingdom to raise vital funds for the Armed Forces community this Poppy Appeal. Poppies are worn as a show of support for the Armed Forces community. The poppy is a well-known and well-established symbol, one that carries a wealth of history and meaning with it. Wearing a poppy is still a very personal choice, reflecting individual experiences and personal memories. It is never compulsory but is greatly appreciated by those who it is intended to support. During WW1, much of the fighting took place in Western Europe. The countryside was blasted, bombed and fought over repeatedly. Previously beautiful landscapes turned to mud; bleak and barren scenes where little or nothing could grow. There was a notable and striking exception to the bleakness - the bright red Flanders poppies. These resilient flowers flourished in the middle of so much chaos and destruction, growing in the thousands upon thousands.

# The Reason for the Season.

A long time ago, in a town called Nazareth, Mary was engaged to a lovely man named Joseph. They were as happy as other people.

Out of nowhere one day, an angel came down from God to visit Mary, he had some very good news. "Don't be afraid. I have great news, you are going to have a baby." Mary was confused "But how can I have a baby? I'm not married yet." Mary said. The angel told her the baby is from God, and wants him named "Jesus Christ".

Later on, Mary and Joseph had to travel to another town called "Bethlehem" to pay their taxes. It was a very long way, through the paths, the mountains and hills they went. It was especially hard when Mary was pregnant because they had to go slowly.

Meanwhile in the East, the three wise men noticed a brand new star in the night sky. They knew that when a brand new star came out, it was as shiny as a diamond, it meant the new king had been born. They were soon quickly on their way to follow the brand new star.

Eventually, Mary and Joseph arrived at Bethlehem. They were going to stay at the inn, but it was super busy, as busy as a city. There was no room for them and the new baby.

Fortunately enough, a very nice innkeeper let Mary and Joseph stay in his stable, it was rather uncomfortable, but soon, the new king was eventually born and was named “Jesus Christ”

During that time, some stinky shepherds were looking after their sheep in the big fields, when there was a bright light and all the angels around the night sky were singing. One angel said, “Don’t Be Afraid, I have great news, the new king was born on this very night”. The shepherds soon quickly ran down the fields to the town of Bethlehem to see their new king as they followed the bright, shining star.

Soon everyone gathered around the stable where Mary, Joseph and the new born king was. The Shepherds and the Three Wise Men gave the new king many gifts for its special birth.

# Work Experience

Every Friday we go to a café called Whitegate for our work experience and we do things like; cleaning, cooking the food ready for the next week and we sweep the leaves off the floor to make it all nice and clean.

I love going there it is a way to learn new skills for the future and to work as a team. At the end of the day we get a hot chocolate because we work so hard it is the best and we have a great time we have a laugh every time we go there.

One Friday I helped my friend Olivia make some coco nut cookies, we made about 20 of them for the customers to buy and enjoy.
